

# Examination and Certification

of Amusement Devices  
and Rides

# morgan ward

## Company Approvals

- UKAS – (Laboratory and Site)
- NAFLIC
- ADIPS Registered

Type 'A' registered inspection body in the ADIPS registration scheme, conducting ourselves in accordance with **BS EN ISO/IEC 17020 : 2004**

We comply with all industry standards including The British Health & Safety Fairgrounds and Amusement Parks guidance on safe practice HSG175 (2nd Edition), and NAFLIC published 'Safety of Amusement Devices' referenced by ADIPS.

Actively involved in the Industry for over 35 years, with experience inspecting small and large parks within the UK and overseas.

We are founder members of National Association for Leisure Industry Certification (N.A.F.L.I.C) and helped create the basic leisure standards including the inception of HSG175.

Currently we have representation on the NAFLIC standards committee and produce numerous contemporary publications annually.

All staff have competent training within:

- NDT Inspection
- Visual Inspection
- Risk Assessment
- Professional Climbing Certification

Our services extend to:

- Design Review – All Disciplines
- Electrical Through Examination
- Mechanical Through Examination
- NDT/NDE – All Non-Destructive Testing Methods
- Risk Assessment
- Inspection Awareness Training
- Training of Maintenance Staff
- Annual Inspection Scheduling
- Technical Assistance
- Consultancy Service
- Ride Procurement
- Failure & Accident Investigation
