Dear Sirs

REGISTRATION NO: 50CM01

1. Thank you for your letter which enclosed a copy of your NAMAS accreditation. I am pleased to advise you that your name has now been added to the Department's lists as eligible to tender for Non-Destructive Testing
2. This registration is subject to your remaining accredited to NAMAS and to your continued eligibility, as determined by the Ministry, to undertake defence work and is subject to review at any time. It is a condition of registration that you inform this office of any changes that occur in the name or address, partners or directors of your firm. Please note that you may not be invited to tender upon every occasion and may be excluded from further invitation if you fail to supply satisfactory products or to submit reasonable responses to tender invitations.

Yours faithfully

Charles Farmer
